Dear music lovers,

It is a great honor and pleasure for me to
welcome you to Lucerne for your
association's 10th World Conference!

When musicians, conductors, publishers
and lovers of wind music come together
from around the world to discuss symphonic
wind music, exchange their experiences and
especially to play and present wind music at
the highest level, it is also an honor and a
duty for the host as well. In Lucerne and
especially here at the Culture and Conference
Centre, you will find the ideal surroundings
and a world class concert hall.

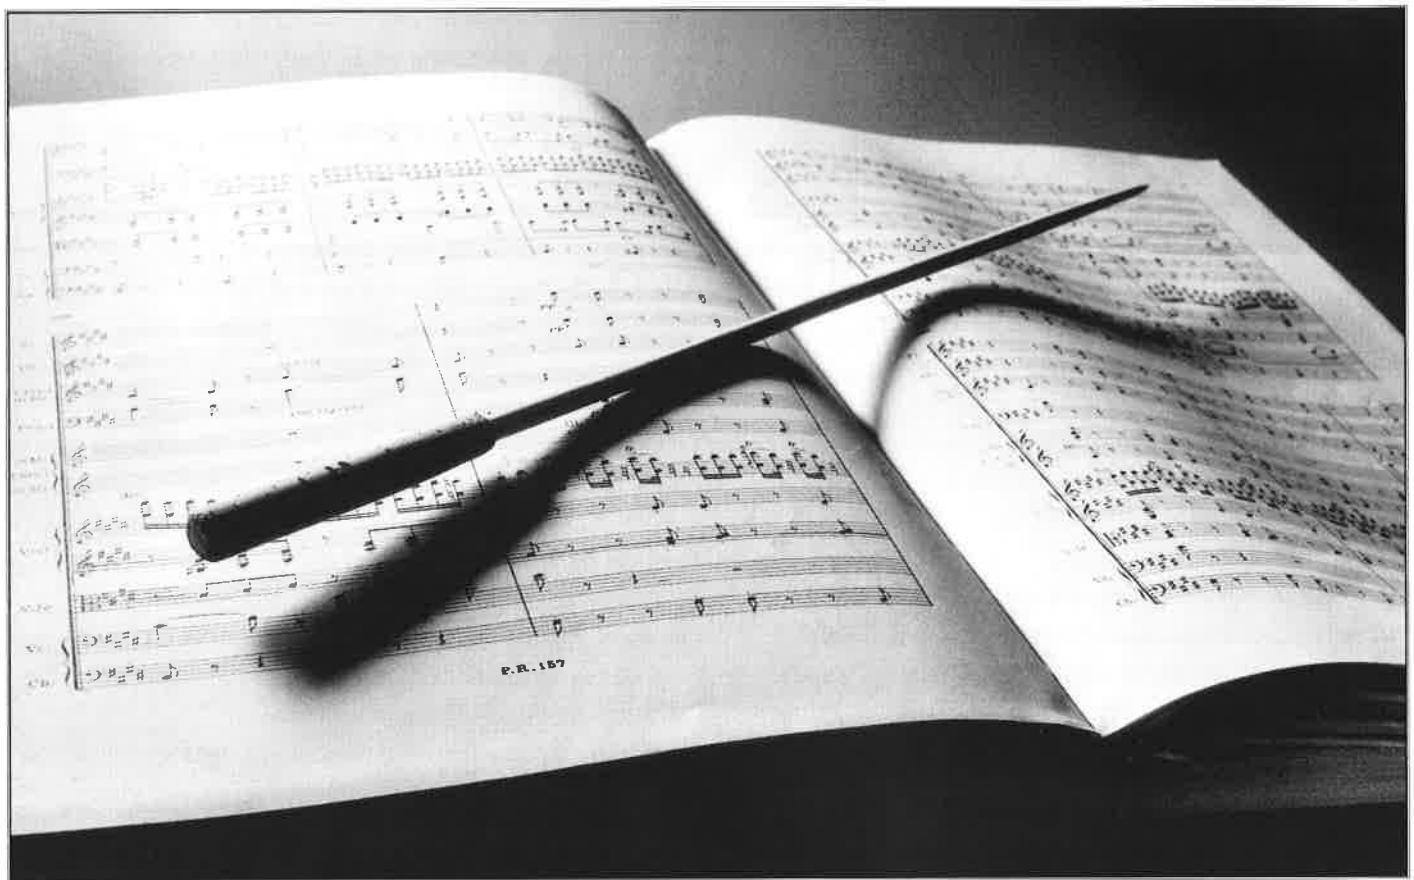

I am particularly delighted that an internationally
recognized formation for the Confederation in the
shape of the Swiss Army Band is also represented here
at your conference.

I wish you all success for your conference and hope you
enjoy your stay in Central Switzerland and many
hours of the finest wind music.

Dabei sein,

*Die grosse Kunst der Blasmusik
verleiht Flügel!*

Die «Salle Blanche» des vom französischen Architekten Jean Nouvel erbaute Kultur- und Kongresszentrums Luzern gilt als weltbester Konzertsaal. Und darüber wölbt sich das atemberaubende Dach wie der Flügel eines schwebenden Schwans.

Schweben – im siebten Musikhimmel sozusagen – wird im Sommer 2001 auch Luzern. Denn WASBE, die Konferenz der WORLD ASSOCIATION FOR SYMPHONIC BANDS AND ENSEMBLES, bringt für eine Woche Bläsermusik der Spitzenklasse in das Herz der Schweiz. Zahlreiche Konzerte, Seminare und Workshops werden aus Luzern Tag für Tag, Stunde für Stunde eine eigentliche Stadt aus Musik und für die Musik machen. Und ein unvergessliches Erlebnis für alle, die das Glück haben, an WASBE teilzunehmen.

Im Namen des Stadtrats sowie aller Luzernerinnen und Luzerner heisse ich Sie herzlich willkommen!

The Art Of Wind Band Music Will Lend You Wings!

The “Salle Blanche” concert hall inside KKL, the Lucerne Culture and Convention Center built by French Architect Jean Nouvel, is considered one of the best of its kind worldwide. And, floating above it like the wing of a soaring swan, is the building's breathtaking roof.

Lucerne will also be soaring this summer of 2001—on the wings of music, as it were, when WASBE, the conference of the WORLD ASSOCIATION FOR SYMPHONIC BANDS AND ENSEMBLES, brings world-class brass band music to the heart of Switzerland. Numerous concerts, seminars and workshops will turn Lucerne, day by day, hour by hour, into a city built of and dedicated entirely to music. And an unforgettable event for every lucky WASBE attendee.

On behalf of the City Council and all the people of Lucerne, I welcome you!

Sehr geehrte Konferenzbesucher
Liebe Gäste

Einmal mehr treffen wir uns innerhalb von WASBE zu einer Intensiv Bläsermusik-Woche. Dass die 10. Konferenz in der Schweiz stattfindet freut nicht nur uns Fachleute, ebenso sehr wird damit der Schweizerischen Bläsermusik-Bewegung Respekt und Bewunderung entgegengebracht.

Nicht weniger als 75 Orchester aus 20 Ländern haben sich für ein Konzert innerhalb dieser Konferenz beworben, lediglich 18 Formationen konnten berücksichtigt werden. Eine dementsprechend schwierige Aufgabe wartete auf das international zusammengesetzte Planungskomitee. Um den hohen Ansprüchen der in den letzten Jahren auf 1000 Mitglieder angewachsene Vereinigung gerecht zu werden, wurden die Orchester in den Prioritäten folgender Auswahlkriterien ausgewählt: Internationalität, Qualität und Schweizer Touch.
Das Resultat ist eine Mammut-Veranstaltung mit 15 Saalkonzerten (inklusive 3 ausgewählten Kammermusikkonzerten), 2 Reading Sessions, einem Konzert des Int. Jugendblasorchesters (IYWO), 10 Fachvorträgen, einer grossen Fachausstellung sowie einer ebenso attraktiven Rahmenveranstaltung.

Logistisch konzentriert sich alles auf das KKL-Gebäude d.h. das Info-Büro befindet sich in der Main Lobby, Orchesterproben finden im Untergeschoss statt, Vorträge im Kleinen Saal, die Konzerte im brandneuen Konzertsaal, die Fach-Ausstellung im Luzerner Saal und selbst das Rahmenprogramm spielt sich unter dem einzigartigen KKL-Dach statt. Haben Sie auch noch das Hotel ganz in der Nähe des KKL gebucht, dann gehören Sie meiner Meinung nach zu den glücklichsten Menschen, zumindest für diese eine Woche.

Allen Mitarbeiterinnen und Mitarbeitern danke ich jetzt schon für Ihren aussergewöhnlich grossen Einsatz. Ihnen, sehr geehrte Konferenzbesucherinnen und Konferenzbesucher wünsche ich beste Unterhaltung, interessante Gespräche und hoffentlich viele gute Bekanntschaften.

Dear Conference visitors and guests

Once again we of WASBE meet for an intensive week of wind music. That this 10th conference takes place in Switzerland is not just a pleasure for us experts, but also provides the Swiss wind music movement an opportunity to gain in respect and admiration.

No less than 75 orchestras from 20 countries applied for this conference, however only 18 groups could be taken into consideration. A correspondingly difficult job awaited the planning committee composed of international representatives.

To do justice to the high standards of the union, which over the preceding years has grown to 1000 members, the orchestras were chosen according to the following criteria: international acclaim, quality, and empathy for Swiss life and culture. The result is a mammoth organization with 15 hall concerts (including three selected chamber music concerts), two reading sessions, one concert of the International Wind Youth Orchestra (IYWO), 10 specialist lectures, one large specialist exhibition as well as an equally attractive fringe organization.

Logistically concentrated at the KKL building, with the information office situated in the main lobby, the orchestra rehearsals take place in the basement (UG), the lectures in the 'Kleinen Saal', the concerts, in the brand new 'Konzertsaal', the exhibitors in the 'Luzerner Saal' and even the fringe program takes place under the maybe somewhat frighteningly large KKL roof. Should you also be fortunate enough to have your hotel in the neighbourhood of the KKL, then, in my opinion, you belong to the luckiest of people in the world, at least for this week.

I would like to thank all my co-workers for their extraordinary efforts, and to you, dear concert visitors, I wish you the best entertainment, many interesting conversations and hopefully many new and fruitful acquaintances.

Es ist mir eine grosse Freude, Sie zur 10. WASBE-Konferenz in Luzern willkommen zu heissen.

Das Motto dieses Festivals heisst «ARTS». Sich mit allen Sinnen den verschiedenen Kunstrichtungen zu öffnen, ist ein wünschenswertes Ziel dieser Woche. Die Musik hier im Kongresszentrum ist umgeben von anderen Künsten: Nicht nur, dass sich Kunsthalle und Konzertsaal unter einem Dach befinden, auch das Gebäude an sich, entworfen vom französischen Architekten Jean Nouvel, ist ein wahres Kunstwerk. Zahlreiche Ensembles, führen deshalb Werke auf, die in Verbindung zu Literatur, Malerei und Architektur stehen. Einige Kompositionen wurden unter diesem Aspekt sogar in Auftrag gegeben und werden in dieser Woche uraufgeführt.

Das Luzerner Organisationskomitee, das Planungskomitee und zahlreiche weitere Personen haben in der Vorbereitung dieser Konferenz intensiv gearbeitet, um Ihre hohen Erwartungen an das Festival erfüllen zu können. Ich möchte allen an dieser Stelle für die Bemühungen und ihren Einsatz ganz herzlich danken.

Gerne hoffe ich, dass die Konferenz zu einem inspirierenden und unvergesslichen Erlebnis für alle Beteiligten wird.

Mit freundlichen Grüßen

WASBE President

With great pleasure, I welcome you to Lucerne and the 10th Biennial WASBE Conference.

We have selected “ARTS” as the main theme for this event. Not only the Lucerne Art Gallery is under the same roof as the Concert hall, but also the building itself is a piece of art by the famous French architect Jean Nouvel.

Music – so beloved by all of us – is surrounded by many other experiences of art. I hope we succeed this week in opening the delegate’s eyes to these arts as well.

In conjunction with this conference theme, I am happy to see that ensembles performing in Lucerne were encouraged to select or even commission works, which relate to or have a connection with paintings, sculptures, architecture, or literature.

The Lucerne Organizing Committee, the Conference Planning Committee, and many volunteers worked very hard to fulfill the high demands of this Conference. I offer my sincere gratitude to each of them for their effort and support to make this happen.

It is my hope that your attendance at this WASBE Conference will leave you enriched and inspired and that your stay will be a memorable experience.

Yours sincerely

Sehr geehrte Damen und Herren
Liebe Konferenzteilnehmer

Seit 20 Jahren gibt es WASBE.
Seit 6 Jahren gibt es WASBE-Schweiz.

Zusammen mit den 200 Mitgliedern von WASBE-Schweiz freue ich mich, dass es uns gelungen ist, die Jubiläums-Konferenz in die Schweizer Blasmusik-Hochburg Luzern zu bringen. Die künstlerisch hochstehenden Darbietungen mit Orchestern und Ensembles aus 3 Kontinenten werden sicher unserem Land Impulse geben. (Wir haben 2000 Vereine mit 100'000 Aktiven.) Aber auch die Schweiz präsentiert sich diese Woche von der besten Seite, von verschiedenen Konzertdarbietungen bis zur Reading-Session mit Schweizer Kompositionen. Hoffen wir, dass wir durch diese Konferenz auch neue Liebhaber der sinfonischen Blasmusik finden, wozu auch die grosse Medienpräsenz (spez. Radio + TV) beitragen wird. Mich persönlich freut es natürlich ganz besonders, dass es mir gelungen ist – durch Mithilfe verschiedenster Kreise – die berühmte U.S. Marine Band in die Schweiz zu bringen.

Im Namen von WASBE-Schweiz heisse ich alle Konferenz- und Konzertbesucher herzlich willkommen.

Ladies and gentlemen
Dear Visitors of the WASBE Conference

WASBE has been founded twenty years ago, and WASBE-Switzerland six years ago.

Together with 200 Swiss members, I am very grateful for the chance to bring the Tenth WASBE Conference to Luzern, an important center of wind music in Switzerland.

The orchestras and ensembles from three continents will certainly give many impulses to our country and especially to the 100,000 active musicians of the 2000 Swiss wind music associations.

Switzerland itself will be represented through various orchestras playing music of Swiss composers in concerts and reading sessions. We hope that through this conference even more people will learn to like wind music, especially since many concerts will be broadcast on radio and television. I am very pleased that, together with the help of many others, I was able to engage the U.S. Marine Band for the WASBE Conference in Switzerland.

In the name of WASBE Switzerland I welcome all the visitors of the congress and the concerts in Luzern and I wish you a very pleasant stay.

In der Zeit vom 7. – 14. Juli 2001 wird das KKL in seiner ganzen Grösse wortgetreu als Kultur- und Kongresszentrum genutzt. Das vom französischen Stararchitekten Jean Nouvel erbaute und 1998 eingeweihte KKL bietet mit seiner zeitgemässen Infrastruktur und vielseitigen Räumlichkeiten eine ideale Plattform für die Durchführung anspruchsvoller Anlässe.

Herzstück des KKL ist der Konzertsaal, der über eine variable und äusserst präzise Akustik verfügt. Mit diesem Saal hat Russel Johnson mit seiner New Yorker Firma ARTEC neue Massstäbe im akustischen Saal-Design gesetzt. Bereits drei Jahre nach seiner Einweihung wird der KKL Konzertsaal in Fachkreisen zu den weltbesten Sälen gezählt. Die Stadt Luzern, die faszinierende Umgebung mit den Bergen, dem See, und modernste Architektur geben diesem Anlass eine besondere Note,

Ich wünsche Ihnen, verehrte Gäste, dass dieser Anlass für Sie zu einem unvergesslichem Erlebnis wird.

Between July 7 and July 14, 2001, the KKL will once again fully live up to its name and serve as the full-fledged Culture and Convention Center that it is. Built by Jean Nouvel, the famous French architect, and inaugurated in 1998, the KKL, with its modern infrastructure and versatile premises, is the ideal venue for momentous events of almost any kind.

The heart of the KKL is its grand concert hall whose state-of-the-art acoustics can be fine-tuned to meet every special requirement. With this project, renowned acoustics expert Russel Johnson and his New York ARTEC firm have set new standards in concert hall design. Three years after its inauguration, the "Salle Blanche", as it is called, is already considered by critics as one of the world's best.

Spectacular architecture, the beautiful city of Lucerne, fascinating surroundings including Lake Lucerne and the alpine panorama: there is all you need to make this a very special event indeed!

WASBE 11th Conference

29 June – 5 July 2003

Jönköping / Sweden

Please follow the progress and visit WASBE web page:
www.wasbe.org and links.

The themes for the 2003 Conference

An international Festival of Wind Music, a platform for Nordic and Baltic wind music in the context of our European heritage and in relation to world music.

Wind music and «The Professions»

A series of concerts (15 Concerts with the finest bands from as many countries) linked with illustrated lectures and discussions on:

- Wind Music and the Composer
- Wind Music and the Military
- Wind Music and the Profession
- Wind Music in our Community
- Wind Music in our Schools

We will also continue one of the themes of the 2001 Conference, that of Quality of Programming.

Bands to appear

We are looking forward to listening to fine bands from Florida State University, Sarpsborg Musikkorps, Norway, Swedish Navy Band and others.

New works

At every WASBE Conference there are a number of first performances of new compositions. Several commissions have already been placed, with composers David del Tredici, Richard Rodney Bennet, Adam Gorb and others. Luciano Berio, the distinguished Italian composer, has agreed to be principal guest at the Conference.

Clinics

Researchers in the world of band music will present papers on various topics such as Spanish Band Music, Music from the Nordic Countries, The Sousa Tradition.

International Youth Wind Orchestra

In co-operation with the Nordic Union of Musicians we will as usual organise a band for young talented musicians of 18-25 years of age. Timothy Foley, Conductor and Musical Director of the US Marine band, Washington will make the band sound great at the end of the week!

Additional information and application forms will be available in the summer of 2002: www.wasbe.org.

How to get there

Communications are excellent, whether you choose to travel by air, rail or bus. European Highway 4 is the principal artery in the well-developed road network, which also includes trunk roads 31,40 and 47/48. Jönköping Airport (Axamo), just 15 minutes from the city centre, offers several daily connections with Stockholm, Copenhagen and Riga.
